## Summer at the Museum

Ada Louise Huxtable once said that “Summer is the time when one sheds one’s tensions with one’s clothes, and the right kind of day is jeweled balm for the battered spirit. A few of those days and you can become drunk with the belief that all’s right with the world.” Summer seems just the remedy for those impacted by the difficult economic times and that can’t be more true than for the Clarke Museum. Since June, we have had well over 1000 visitors, both locals and out-of-town tourists; the Fourth of July netted over \$500 worth of sales and donations, plus the 9th annual barbeque is right around the corner. We’ve put up several new exhibits, and the Museum’s collection has grown through a number of large and wonderful donations. Read on!

### READY FOR SOME TRI-TIP?

The Clarke’s annual fund raising barbeque is rolling around again. This year it will be held on Saturday September 12th, from 11am to 5:30pm. With restrictions continuing on salmon fishing, the Clarke barbeque cuisine will once again be terrestrial.

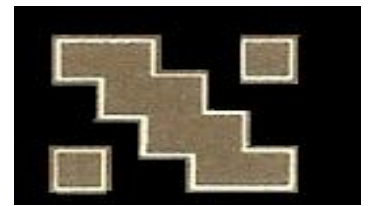

Come down and buy your tickets today!!!

This year it will be scrumptious tri tips cooked outdoors in front of the Museum and served with beans, salad and all the trimmings. Local beer and wine will be available inside.

That day, Old Town will be hopping as it hosts Cruzin’ Eureka as well. So mark that date on your calendar. In the present economy, the Clarke can use more help than ever. So please do your part and have a delicious time doing it!
