## VISIT TWO VALLEYS OF THE GIANTS

On December 12 and 13, take in a double-feature blast from Humboldt's past. At 5:30pm on those nights, the doors of the Eureka Theater will open for a showing of two movie versions of "Valley of the Giants". Both

were filmed in Humboldt County using locations in Eureka and along the Mad and Eel Rivers. These movies and two others were based on the popular 1918 novel by Peter Kyne. The story is a much fictionalized romance based loosely on the William Carson family with melodramatically good heroes and wicked villains. This double feature is a fundraiser event for the Clarke Museum and the Eureka Theatre, tickets are \$10.

## A CENTURY AGO

It's almost 2010, so around New Years the Clarke will assemble an exhibit of items from one century ago. Magazines, greeting cards, calendars, receipts, photos and many other things marked 1910 will show how much can change (or remain the same) in just 100 years.

**The Mission of the Clarke Historical Museum** - The acquisition, display and custodial care of objects representing the legacy of Northwestern California. Our purpose is to publicly inform, educate and celebrate the area's rich cultural diversity.
